Baseball Season Starts In April; Changes Made

Local Team Is Scheduled To Play Grass Valley For Opener

Tentatively the Truckee-Tahoe Baseball Club of the Placer-Nevada League is scheduled to open the 1950 season in a game at Grass Valley Sunday, April 16.

This is according to word from the league secretary, Scoop Thurman at Colfax, following a meeting of the directors held in Auburn Sunday afternoon and attended by Director R. N. Little and Manager Larry Baxter.

Following the league meeting Sunday, a meeting of officials and fans was held at the fire house here Tuesday night when the prospects for the approaching season, roster of players and other details were open for discussion. The name of the club was changed to Truckee-Tahoe to include the players and fans of the lake area who contribute highly to the success of the team.

Better Roster

Prospects for the playing roster are brighter this year than last, in the opinion of Little, who said a few new names have been added including that of Bill Roemer of Squaw Valley, a pitcher; Johnny Fait, former big league infielder, and Bill Christy, Truckee milk distributor. There will also be the old faces on the field such as Mike Korich, Harvey and Bill Martin, Bill Connors, Willie Curran, Eddie Ulsheimer, John Rablin, Les Davidson, Frank Giovannoni, Baxter, Karl Kielhofer, Boucher and possibly Mel White.

New Rulings

One new ruling of the league provides there shall be no player on any team from outside the league area who were not bona fide residents on or before March 1st. Neither will salaries be permitted.

The possibility of organizing a second team in Truckee was discussed at the local session but action was delayed.

Two new directors, Stan Martin and Carl Bechdolt of Tahoe, were elected on the seven-director group. Others are Frank Gaiennie, Charlie Cozzi, N. F. Dolley, Little and Baxter.

A practice game for the near future is being planned and details will be announced later.

Folsom Withdraws

With the withdrawal of the Folsom team this year, the league will be an eight-club circuit this season, opening its 14 game split season schedule April 16. The opening game schedule will be as follows, Colfax in Auburn, Placerville in Roseville, Nevada City in Lincoln, and Truckee in Grass Valley.

League Vice President Bill Valdon of Grass Valley was authorized to prepare a schedule to be presented at the next meeting, to be held Tuesday evening, March 21st.

TWO BADLY HURT IN CAR ACCIDENT AT FARAD FRIDAY

Two men suffered major injuries and two others escaped with minor hurts in a series of three motor vehicle crashes in this area during the past week.

Taken to a Reno hospital is serious condition were J. N. Fisher, 54, of Roseville, and Garth Backes, 28, Portland. The two were seriously hurt Friday night at 10 o'clock when the old model coupe they were driving east hit a rock on the highway at Farad and plunged out of control 150 feet down the embankment.

Elmer Hanson, in charge of the Farad power house, rushed to the scene and assisted in getting the two men, trapped in the car, into the Truckee ambulance. State Patrolman William Gautsche made the investigation.

Ruth M. Waters, 41, Reno, was only hurt slightly when her car skidded Saturday morning at 8:30 o'clock seven and a half miles east of Truckee and overturned The car skidded on its top for a distance of 100 feet, Patrolman Gautsche said.

Gordon J. Migues, 25, Santa Cruz, was cited for reckless driving after his new sedan was badly wrecked four miles east of here Monday at 12:30 p.m. The car hit the right shoulder, plunged across the highway and skidded a distance of nearly 250 feet before it overturned. Migues told Patrolman Gautsche he rolled down a window after the accident and stepped out uninjured.

Board Official Here—

L. H. (Bill) Wilson, official of the state board of equalization in charge of the sales tax division in this district, was here from Marysville Tuesday.

Dentist Here To Start Practice In Local Office

Dr. Affeldt Will Divide Time Between Here And Colfax

Dr. Robert W. Affeldt of Glendale has arrived here and next week will open his dental offices adjoining Dr. J. H. Bernard's office over Sarge's Cafe on Main Street.

Dr. Affeldt is now awaiting the arrival and installation of his modern equipment. He will maintain the office here Mondays, Tuesdays and Fridays and will go to Colfax each Wednesday and Thursday since that town too is without the services of a dentist.

The young doctor is a graduate of the University of Southern California Dental College and has been practicing at Glendale for the past three years. He has been on the staff at the White Memorial Hospital and the Los Angeles General Hospital where he specialized in oral surgery and children's cases. His general practice has covered a wide field of dentistry.

In selecting Truckee, Dr. Affeldt said he had made a general survey of other localities and found this district to his liking and he plans to make it his permanent home.

The doctor is a native of Michigan where his parents now reside. He came to California to complete his education and for several years has resided at Glendale where a brother is prominent in the medical field.

Dr. Affeldt, who is not married, is making his home in one of Mrs. Edith Fay's apartments.

UTILITY DISTRICT FREE OF MISHAPS DURING 23 YEARS

The Truckee Public Utility District was the recipient of a check and letter this week that made the directors and management happy, C. Edmunds, manager, reports.

The check was for the sum of $112.67 and represented a 28 per cent refund on a premium of $402.40 paid by the district during the year ending June 4, 1949 for compensation insurance to the State Compensation Insurance Fund to cover the labor employed by the district during that period.

The letter from the fund, dated February 15, said in part: "This saving is a direct result of on-the-job accident prevention activities of the district employees. Your district is to be congratulated on the very good record established for the year."

"During its 23 years of operation the district has never had a major accident involving any of its employees and this is a record we are particularly proud of," said Edmunds.

Local Solon Rooters May Charter Bus

Tentative plans are being made to charter a bus to take a group of local baseball fans to Sacramento after the Pacific Coast League schedule gets underway. Details are being worked out and if the affair provokes sufficient interest, a definite date will be fixed.

Tavern Asking $5,000 For Sign's Removal

AUBURN— The Tahoe Tavern Resort Company has filed a $5,000 damage action against A. J. Flagg and John S. Flagg, owners of adjoining property, charging the defendants caused the destruction of an arch advertising the Tahoe Tavern at Lake Tahoe.

Business Visitors—

Mr. and Mrs. Virgil A. Chapman of North Sacramnto were business visitors in Truckee on the weekend.

Birthdates—

Mrs. C. B. White observed her birthdate on Tuesday, February 28. Dale Eaton was eight years old on February 27.

Marriage License—

A marriage license was issued at Reno to Jess O. Marin, 24, and Angela Fuentez, 28, both of Norden, Calif., this week.

Two Long Time Residents Of This District Expire Here During Week

Mrs. Bennetts Teacher In This District For 21 Years

Funeral services will be conducted Friday afternoon at 2 o'clock in the Truckee Colonial Mortuary for Mrs. Evelyn Bennetts, 68, an educator for many years in this district, who expired at a Reno hospital Tuesday afternoon following a protracted heart ailment.

The services will be conducted by the Christian Science Church. Interment will be in the Truckee cemetery.

Mrs. Bennetts was a native of Iola, Kansas, born April 13, 1881. When a young girl she moved to Butte, Montana, with her parents, the late James and Sara Ellen Holt. On May 25, 1917, she was married at Reno, Nevada, to William C. Bennetts, who survives, and continues to make his home at Boca where the family resided since 1926.

Also surviving are a daughter, Mrs. Thomas Borneman, Truckee elementary school teacher, and a sister, Mrs. Vella Sher of Minneapolis. Two brothers are deceased.

The Bennetts came to California in 1921 and for a time made their home at Nevada City, later moving to Forest, Sierra County, and thence to Boca. Mrs. Bennetts had been a teacher in this district for the past 21 years and was held in highest esteem by her hundreds of pupils and their parents, who knew her as a capable, conscientious and devoted woman, who dedicated her life to her work and her home.

Mrs. Bennetts was taken to the hospital more than a week ago when her condition became alarming. She failed to respond to treatment and Mrs. Borneman was summoned to the bedside Tuesday afternoon.

Pioneer Crossed Plains In Covered Wagon With Parents

Last rites will be held Friday afternoon at the Truckee Colonial Mortuary for Mrs. Nancy Canady, 70, pioneer California resident, who had resided at Truckee and Hobart Mills for the past 40 years, who expired at her home here yesterday afternoon following a ten weeks illness. Rites will be held at 3:30 p.m.

Mrs. Canady was born in the Territory of Oklahoma November 7, 1879, her parents being the late Mr. and Mrs. Rufus Kinkade, who migrated to California by covered wagon 70 years ago and settled at Gridley.

In 1901, the Canadys came to Hobart Mills and it was there they made their home, with the exception of three years spent at Gridley, until the mills closed in 1937. They moved to a ranch near Roseville and there the deceased husband, the late Edwin Canady, died in 1942. Shortly after that Mrs. Canady returned to Truckee and since had lived here.

There are five surviving sons, Herbert of Manteca, who was here at the time of his mother's passing; Ray of Burbank, Gordon of South Gate, Harold of Truckee and Albert of Sparks, Nevada. The suurviving daughters are Mrs. Laura Smith of Truckee, Mrs. Marjorie May Geiger of Yuba City and Mrs. Mary Sabetta of Gustine. Three sisters, Mary Boling, Nellie Campbell and Laura Fedtema. all live in Los Angeles.

Aside from her home and church Mrs. Canady during recent years has not participated in outside activities, but was highly respected and loved by her scores of friends throughout the area who will regret her passing.

Following the services here the body will be taken to Sacramento for cremation at East Lawn.

TWO WOMEN HEAD RED CROSS FUND DRIVE IN REGION

Mrs. Fosten Wilson and Mrs. Rufus Gregory are local co-chairmen for the fund drive being made by the American Red Cross since March 1. A $600 quota was named for Truckee and vicinity by John LaRue of Nevada City, chairman for Nevada County.

Of that amount, $300 is always maintained here but the actual domestic expenditures usually go beyond that sum. Funds have been asked for summer swimming classes with qualified instructors to be held at Donner Lake for children of the community, home services and other needs. It is also hoped that a course in home nursing will be added at a later date.

Volunteer workers will average eight houses each in the door-to-door canvass. Those wishing to assist may contact the chairmen for further information.

Republican Committee Member Runs Again

Douglas Barrett, incumbent, will be a candidate for reelection to the Nevada County Republican Central Committee from the 5th district at the June 6 primary election. Barrett has been a member of the committee since 1941 and is currently vice chairman and an alternate member of the state central committee.

Only 13 Days Remain Until Tax Deadline

With only 13 more days remaining to file Federal Income Tax returns, Collector of Internal Revenue James G. Smith of the First California District pointed out that all Withholding Statements, Form W-2, must be attached to the return.

Failure to attach the withholding statement to the return will cause delay in processing and inconvenience to the taxpayer.

Enjoy Sunshine—

Mr. and Mrs. E. J. Kaler and Mrs. Clyde Johnson of Sacramento motored to Truckee Sunday to enjoy the mountain sunshine. They visited the F. F. Kearney home while here.

FATHER AND SON NIGHT PROGRAM IS PLAN OF LIONS

Father and Son Night will be observed at next Wednesday's meeting of the Truckee Lions Club at Capitol Hall.

All 45 boy students of the Tahoe-Truckee Unified High School will be invited to hear the program arranged by E. V. O'Rourke, superintendent of the school district.

The principal speaker will be Jake Lawlor, basketball coach from the University of Nevada, who will be accompanied by Dr. W. W. Hall, prominent Reno physician.

R. N. Little will also speak on service clubs and their value to the members and community. The Pep Band of the high school, under the direction of Ernest Douglas, school music director, will play.

The club last night held a joint meeting with the Tahoe City Rotary Club at Tahoe Inn.

Frank Gaiennie gave an entertaining reading as a part of the program.

Four-Way Ski Meet At Tahoe on Weekend

TAHOE CITY—Lake Tahoe Ski Club's FWSA sanctioned four-way ski meet will get under way Saturday at 10:30 a.m. with a giant slalom for both men and women at Squaw Valley. Sunday morning the cross country will start at 10 o'clock from the Tahoe City golf course. Jumping events will start at 12:30 Sunday at Olympic Hill with Class A, B, C, D and Novice jumpers taking part.

Tollefsons Return North To Attend Skiing Event

Mr. and Mrs. C. A. Tollefson and sons, Terry and Rex, are home following several weeks spent in southern California. They came up to attend the Snowshoe Thompson ski meet at White Hills at which Terry, now recovering from a serious injury suffered to one leg last winter, was one of the guests of honor. The Tollefsons plan to return south later this month for further treatment for Terry's leg.

Sun Beams

by Walter M. Barrett

A dog, they say, is man's best friend. That being true, man certainly has a lot of friends in Truckee. But there seems to be little given in return for this friendship as shown by the way dogs are neglected and permitted to run at will day and night, molesting pedestrians and motorists during the day by capering on the streets and sidewalks in packs and barking and howling incessently during the night. There is no finer pet that a dog and every family is entitled to own one but there should be some measure of control exercised not only to protect the dog but neighbors as well. If a dog is worth owning it is worth being cared for and kept within reasonable bounds. There is no reason why they should be permitted to wander about to do as they desire and create a nuisance.

There are a few simple rules which, if followed, would make winter sports and skiing far more popular pastime. One of the first, in our opinion, would stop novice skiers from leaving established resort centers without guides. The danger of getting confused and lost is always present unless one is familiar with the terrain to be covered, weather conditions and other factors which enter into exploring mountainous areas. Cross country trips are fun and provide a maximum of thrills and an inexhaustable source of beauty but should be made only by thoroughly experienced skiers who are familiar with the dangers of such trips. Never should they be attempted by novice skiers and never by a lone person.

MRS. BUELL QUITS POSITION AT BANK TO SEEK J. P. JOB

Mrs. T. T. Buell, who has been employed as teller at the Truckee branch, Bank of America, for the past four years, has resigned her position effective March 1 in order to devote her efforts to her campaign as a candidate for the office of justice of the peace of Meadow Lake Township.

In announcing Mrs. Buell's resignation, R. A. Scott, manager of the local bank, said he was doing so reluctantly.

"Mrs. Buell has been a very capable and loyal employee and we regret her leaving," Scott said.

Her successor at the bank has not yet been chosen, Scott added, but will likely be selected from one of the other branches.

Wyethia Club Meeting Called Friday Night

Mrs. Rufus Gregory, retiring president of the Wyethia Club, and Rev. Oscar Swenson will give brief talks on the current fund drive for the Red Cross at the meeting to be held Friday evening, March 3, at 8 p.m. in the club's building. A musical program will follow the business session and refreshments will be served.

Mrs. Robert Gifford is the incoming president of the organization.

Dog Derby Film Slated At Outing Club Meet

Movies of the Sierra Nevada Dog Derby and the Tournament of Roses at Pasadena will feature a meeting of the Truckee Outing Club tomorrow night at Hill Top Lodge. An invitation to all members and others interested has been extended by President Reg Smart.

Has Highest Praise For County Hospital

Manuel Furtado, well known Truckee resident, returned home this week after a two months stay at the county hospital where he underwent medical treatment. Furtado was high in his praise of the fine treatment given him during his hospitalization and particularly commended the doctors and nurses.

Local Hoopsters Continue Wins In Two Games

Accuracy on Free Throws Margin of Victory For Quintet

Proficiency from the free throw line spelled victory in two games during the past week for the Truckee American Legion's basketball team.

In beating the Big Meadows quintet of Lovelock Sunday night, Truckee made 13 out of 26 free throws while the visitors sank only 9 out of 21. The final score was 55 to 51 with Wakefield accounting for 16 and Foster 15 for the home team and Earchen earning 14 for Lovelock.

Tuesday night the locals garnered 19 out of 31 free tries as the visiting Reno AA team, Rissone's sank 16 out of 28. The final tally was 53 to 49. Wakefield again led the victors with 19 and Flynn made 12 points. Gozotti was high pointer for Rissone's with 13.

The Truckee team will play a two game series here Friday and Saturday nights with the 40th California National Guardsmen of Concord, Calif.

High School Hoopsters

On Saturday, February 25, the Tahoe-Truckee High School team traveled to Reno to play the Sparks Teenagers and the De Molays of Reno at the Northside gym.

The local Bees lost their game to the Sparks Teenagers by five points. The score was 10 to 15. The varsity lost their game to the De Molays by two points, 43 to 45.

This Friday and Saturday, the high school will play part of the Concord aggregation and the town team will play the other half of a double header each night.

PARK AT DONNER HAS 119,361 VISIT DURING LAST YEAR

"Travel is big business in California's economy", declares Earl P. Hanson, deputy chief of the state division of parks and beaches.

He made this statement after analyzing attendance figures in units of the state park system for 1949 compared with 1948. The attendance last year throughout the state showed an estimated 37 per cent increase over 1948.

Donner Memorial State Park, just west of Truckee, recorded 119,361 visitors in 1949, compared to 74,907 the year before.

Tahoe Campground near Tahoe City showed a slight drop, 23,542 in 1949 and 25,960 in 1948. D. L. Bliss State Park, on the southwest shore of Lake Tahoe, gained from 39,591 in 1948 to 54,696 last year.

BOARD CHAIRMAN DECLINES TO RUN, THREE SEEK POST

GRASS VALLEY— Warren E. Odell, chairman of the Nevada County board of supervisors and a member of the board since 1938, will not be a candidate for reelection at the June 6 primary.

Odell, who recently underwent surgery at a Sacramento hospital, said he plans to live in semi-retirement.

Less than 48 hours after Odell announced he would not seek reelection, three candidates announced their intention of seeking the post.

They are C. L. Painter of Rough and Ready, Guy Robinson of Indian Springs and Ed J. Kohler, president of the North San Juan and Camptonville chamber of commerce. Painter and Robinson are ranchers.

Twins are Three—

Richard and Robert Preston, twin sons of Mr. and Mrs. William Preston, observed their third birthday on Tuesday, February 28.

From Sacramento—

Mr. and Mrs. Jack Fitzgerald and children this week visited Mrs. Fitzgerald's parents, Mr. and Mrs. C. Edmunds.

Farewell Party—

Mrs. Floyd Calkins last Thursday evening entertained at a party for Mrs. Irene Marx at her home. Mrs. Marx left here Monday to make her home at Quincy.

Ski Trail Will Be Marked; Capital Youths Rescued

Planes, Dogs and Skiers Join in Search for Lost Four

The apparently popular ski trail between Donner Summit and Squaw Valley will be marked as soon as practical.

Max Williamson, Big Bend District forest ranger, made this announcement Monday following his return from Anderson Peak where his detail of four searchers located the four missing Sacramento youths who had been lost in the rugged summit area since the day before.

The four young men, all ranging from 17 to 20 years of age, were Tom Brasel, Roland Emerson, Floyd McFarland and Joseph Ulm, started for Squaw Valley Sunday. They became confused, skied in a circle about six miles south of the summit and finally spent Sunday night beside a fire which they built.

Monday they skied to Anderson Peak to get their bearings and had just started to leave the Sierra Club cabin there when they were met by Williamson, Bob Mori, Don Smith and Ernie Nordstrom, members of one of the several organized searching parties from the summit. They returned to Ski Hi shortly after five o'clock and aside from being a bit tired were none the worse for the experience.

Ski Posse Busy

A search was organized after parents of the boys notified summit and Truckee officials of the boys' disappearance. The jeep which they occupied was found parked near the state highway maintenance garage. When the men did not arrive at Squaw Valley, the Truckee Ski Posse, headed by E. E. Boehm and William Curran organized and secured the services of Lloyd Van Sickle and his dog team.

Other units, including officers

(Continued on Page 6)

SCHOOL TRUSTEE ELECTION TO BE HELD ON MAY 19

Albert Bequette, superintendent of schools for Placer County, this week announced the annual election of a trustee for the Tahoe-Truckee Unified School District will be held on May 19 this year.

Candidates may secure a place on the ballot by obtaining a notice of intention form from Bequette's office in Auburn. No petition forms are necessary but the aspirant must be a registered voter within the district. Filings will close on April 19 and registration of voters for this election closes March 26.

The term of William Rutherford of Soda Springs is expiring this year. Rutherford has been clerk of the board since its inception. Other members of the board are Thomas Lucas of Kings Beach, Stanley Martin of Tahoe City, Walter Loynd and Vern Shattuck of Truckee.

Rotary Club Selects Five New Directors

The election of five directors of the Truckee Rotary Club featured Monday night's meeting which was presided over by John Ciardella. Pete Land of Loyalton was a visiting Rotarian.

The new directors named are Larry Baxter, William Curran, James Horak, John Richards and James Sherritt. The president is to be chosen from this board for the 1950-51 term.

Hospital Board Meet Set For March 9th

The regular meeting of the directors of the Tahoe Forest Hospital District scheduled for Friday evening will be delayed until Thursday, March 9, so that all members can be present to conduct the meeting.

This was announced by C. R. Heller, board chairman, who said that a number of important matters pertaining to plans for the new hospital will be discussed. Many details have yet to be completed before construction can begin, Heller said, but it is hoped to have the building started by early summer.

Everyone Invited To View Gun Movies

Anyone interested is invited to attend the meeting of the Truckee Rifle and Pistol Club Friday evening at 8 o'clock at the Veterans Memorial Hall where 400 feet of motion pictures from the Remington Arms Company will be shown. Tom Borneman is president of the group.

Truckee Elementary

SCHOOL NEWS

SPELLING BEE

—by Duane Knight

There are two rooms in the Truckee Elementary School entering the spelling bee. The rooms are Mr. Mr. Kishbaugh's and Mr. Welch's. The ones who won in Mr. Kishbaugh's room are Sonja Rylander and Joel Towler. A tie resulted between Jacqueline Wilson and Joel Towler and four tests were given before Joel won by one less misspelled word. The winner in Mr. Welch's room was Raymond Dixon.

TEACHER ABSENT

—by Louie Ramirez

The 3rd and 4th grades are still working on their Mexican house. Mrs. Gage was ill on Monday and Mrs. Scott took her place.

MEXICAN HOME

—by Roy Arhur Jr.

The middle class people of Mexico have very pretty houses. I saw one in a book. It was made out of adobe bricks and had a tile roof. Inside the house was a table and a few chairs. Around the wall inside there were cooking utensils made out of clay. There were pretty flowers around the outside and a little rock fence around the house.

JUNIOR SKI MEET

—by Alfred McGee, Ace Phipps, Eugene Carrillo

The junior skiers from Truckee are invited to the Lake Tahoe Ski Club's second annual junior ski meet to be held March 18 at the Tahoe City hill. The events will be the downhill race, the slalom, jumping and cross country. A banquet will be held at the Tahoe Lake School for contestants and coaches or sponsors of each group. Contestants must be under 15 and do not have to belong to any ski club.

COMMUNITY TO SPRING UP

—by Roberta Peden

The children in Mrs. Brown's room are building a community. They are planning to have everything a real community has. The children are working together on committees. These children work on the following projects:

Moving Picture: Timothy Risden, Edward Cresfo, Quentin Kay, Gene Hartley, Elethia Marquis and Judith Giovannoni. Restaurant: Varien Frey, Elizabeth Smisek, Cynthia Reynolds and Stefani Firpo. Garage: Kenneth Wilson and Reginald Smart. Service Station: Roy Stallard and Clark Kydd. Bank: Roy Chaney, Donna Barnes and Mary Ann Faulkner. Store: Ronald Borden, Sandra Van Sickle and Karen Knoefler.

PERSONAL NOTES

—by Mary Ann Tonini

Last Friday Mr. Kishbaugh's students arranged their seats in a circle.

The girls that are working in the cafeteria this week are Marie Osburn, Alberta Cooper and Roberta Peden.

Roy Arthur went to Hawthorn, Nevada, over the weekend.

Alberta Cooper went to Napa, Calif., over the weekend.

Joan Ward has been having a bit of bad luck lately. First she ran a nail into her hand and just the other day a dog bit the other one.

UP AT SQUAW VALLEY

—by Sharon Pace

Last Tuesday some of the boys and girls in the 7th and 8th grades went up the chair lift at Squaw Valley. They went with the high school boys and girls up to the tenth mark. The girls from the elementary school were Alberta Cooper, Joan Ward and Sharon Pace. The scenery was beautiful. The first time we went up on the chair lift it was rather frightening but it wasn't the second time.

CIVICS RECORDING

—by Irene Goicoa

Last Friday some pupils in the 7th and 8th grades made a recording on the President's Cabinet. Some the pupils who made the recording were Louie Ramirez, Lois Grey, Mary Ann Tonini, Ginger Reynolds, Sharon Pace, Mary Ann Tonini, Roberta Peden, Raymond Dixon, Ace Phipps, Ruth Osburn, Marie Osburn and Eugene Carrillo. It was their second recording and everyone thought it was very good. The speakers talk clearly so that everyone could hear them.

BOOTH AT CARNIVAL

—by Ginger Reynolds, Lois Grey, Ernest Towler Jr.

On March 25 at seven o'clock a carnival will be held by the high school. This will take place at the Capitol Hall. There will also be a parade which the grammar school may be in. The grammar school will operate the dart booth. The ones who will run the booth will dress as old timers. The girls will wear long dresses such as the women did then. The boys will part their hair in the middle and also wear old-timers' costumes. We hope the booth in the carnival will turn out to be a big success.

Seawell Strives to Bring Board Closer to People of District

JERRY SEAWELL

* * *

SACRAMENTO— In 1946 when Jerry Seawell announced his candidacy for the State Board of Equalization, 3rd Equlaization District, he stated that if elected he would bring the board's functions closer to the people and that he would not tolerate the sale of alcoholic beverages to minors.

During the session of the state legislature in 1947, he succeeded in obtaining legislative authorization to revise the administrative districts within the 3rd Equalization District which he represents.

Today, as a result of these revisions, it is now possible for taxpayers to contact board employees in almost any part of the 3rd district and transact their business without the inconvenience of a long trip to a distant branch office. The branch offices have been estabished in the principal centers of activity in the 25 counties of Seawell's district.

The late Rolland Vandegrift advised at the last session of the state legisature that if all state agencies would curtail their budgetary requests to compare with the State Board of Equalization the cost of state government would be greatly reduced. The administrative expense of the State Board of Equalization costs the taxpayer 1.7 cents for every dollar assessed.

Taxes and licenses administered by the board include the retail sales and use tax, motor vehicle fuel tax, motor vehicle use fuel tax, insurance company taxes, motor vehicle transportation tax, alcoholic beverage licenses and taxes and private car taxes.

1. The board is also responsible for the control and regulation of the manufacture and sale of alcoholic beverages within the state.

2. The assessment of public utility property for taxation by counties, cities, school districts and other local taxing agencies.

During the fiscal year ending June 30, 1949, taxes administered by the Board of Equalization amounted to $577,621,025, which is equal to an average collection of in excess of one and a half million dollars each day of the year.

Many people are of the opinion that the principal duties of the board are the enforcement of the Alcoholic Beverage Control Act. While this act is only one of its many duties, it is important in so far as Seawell is concerned because of his campaign pledge to do everything in his power to stop the sale of liquor to minors.

The record will show that enforcement officers in the 3rd district are alert on the enforcement of this provision of the act and in all cases where licenses appear before the board on this charge, the license is suspended or revoked.

Seawell has always believed that better enforcement would be possible by closer cooperation of the board's administrative staff and local police agencies. This plan has been followed in his district and much has been accomplished through the fine cooperation of local enforcement officers working in conjunction with the board personnel.

SEATS IN CONGRESS BASED ON RESULT OF 10th YEAR CENSUS

The primary purpose of the 17th decennial census of the United States to be conducted in April, 1950, is to determine the population of each of the 48 states as a basis for the division among them of the 435 seats in the House of Representatives of the Congress of the United States. This is in accordance with Article 1, Section 2 of the Constitution of the United States. This section provides that representation in the House "shall be apportioned among the several states.....according to their rspective numbers" to be determined by an enumeration of the population. This section provided that the first census was to be taken within three years after the first meeting of the first congress and within each subsequent ten years. Under this provision, the first decennial census was conducted in 1790 and the years ending in zero have thus become recognized as the decennial census years.

The Constitution provides that each state shall have at least one seat in the House of Representatives. After the 1790 census, seats in the house were apportioned to the states at the rate of one per 33,000 population. If this basis still prevailed, the House today would have more than 4,000 members instead of the present fixed 435.

After 1850, the congress first determined its total membership and then divided the seats among the states in proportion to their respective populations. In recent decades, because of shifting population, some states have gained seats in the House and others have lost. No reapportionment of House seats was made after the 1920 census, the only decade since 1790 in which this was not done, while after the 1930 and 1940 cnsuses the present fixed number of 435 seats was distributed am ong the states under what the Congressional Apportionment Statute defines as "method of equal proportions."

TAHOE NOTARY

SACRAMENTO —(W. N. S.)— Secretary of State Frank M. Jordan Tuesday announced issuance of a notary public commission to Lilliam G. Whiteley, Box 143, Tahoe Valley.

In Capital City—

Mr. and Mrs. Joseph Duffee of Tahoe City are visiting in Sacramento.

SQUAW VALLEY BOSS URGES EXTENSION OF SKIING PROGRAM

Alexander Cushing, president of Squaw Valley Corporation, proposed an extension of the skiing program of the Tahoe-Truckee Unified School District to include schools at Auburn and elsewhere in Placer County. He made this proposal in a recent meeting of the Auburn Rotary Club at which he was the speaker.

Students of the schools in this district are receiving regular weekly instruction at Squaw Valley.

Speaking of Squaw Valley, he said the resort had an average of between 2,000 and 3,000 attendance. A restaurant operates with a capacity of 500 and the parking area has space for 1,000 cars.

JUNIOR SKI MEET OF LAKE TAHOE CLUB SLATED MARCH 18th

TAHOE CITY—The Lake Tahoe Ski Club has released further details on its annual junior meet which is to be held in the vicinity of Tahoe City Gold Course on March 18. Times for events will be downhill 9 a.m., slalom 11 a. m., jumping 1 p.m. and cross country 3 p.m.

Lunches will be served for all contestants by the host ski club on the hill. At the six o'clock banquet, all contestants and a parent or guardian will be guests of the Lake Tahoe Ski Club.

Two age groups will be represented in the meet. The first will include boys and girls from 12 to 14 and the second all those under 12 years. Competitors need not be members of ski clubs or associations. Entry blanks should be completed and sent to the corresponding secretary by March 12.

The San Francisco Zoo contains more than 1000 animals.

Tahoe Weather Continues Spring-Like for Week

TAHOE CITY— Lake Tahoe residents are still enjoying spring-like weather. Monday was the 11th day in an unbroken series of clear, sunny days at Tahoe City. The dates with maximum and minimum temperatures have been as follows:

Feb.	Max	Min
19	50	21
20	45	21
21	39	20
22	49	20
23	47	21
24	49	24
25	45	23
26	53	26
27		26

The lake level on Monday was 6224.46 feet above sea level.

MARRIED AT TAHOE

Married in Tahoe City February 23 by Justice of the Peace C. W. Vernon were Lawrence Metcalf and Ione Harmon, both of Reno. Metcalf is employed by the Johnson Chevrolet Company of Reno.

Congressman Richard Nixon confers at Whittier College with group of severely handicapped persons who seek legislation to aid them in vocational rehabilitation. Left to right, Robert Smith, who seeks to become a piano teacher; Smith's seeing eye dog, Nonee; John Gallant, news and handicraft merchant; Janice A. Beals, who wants to become a speech therapist; Congressman Nixon, and Gaile A. Wetrich, who became a watchmaker through vocational rehabilitation. Nixon promised to support their cause in a bill now pending in Congress.

TAHOE LAKE P.T.A. VOTES TO FAVOR SCHOOL SCHEDULE

TAHOE CITY—The Tahoe Lake School PTA held its monthly meeting at the school last Thursday with Mrs. Jay Stuart presiding in the absence of Mrs. R. Clarke. Members brought handiwork, recipes, toys and articles for the adult fish pond.

The results of the recent poll on the question of whether the school should continue to operate on a winter schedule or return to the former schedule with winter vacation and partial summer school were read. By a vote of nearly two to one, the present "winter" schedule was favored.

Founders Day was observed and Mrs. J. V. Bartell read "A Thriving Schoo.."

Entertainment was provided by Mrs. Alice Davis of Kings Beach who presented three junior dancers who put on an excellent performance. Hostesses were Mesdames Jean Henry and Martha Snyder, assisted by students.

A meeting was scheduled for March 1 at Mrs. Ray Fellows' home. Members were to bring their own materials for sewing, the monthly project being in part pot holders and tea towels. The next regular meeting was set for March 23 with Mrs. Tom Sheehan hostess. Members were asked to bring recipes for candies and yeast bread.

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

February 24, 1950

To Whom It May Concern:

Notice is hereby given that fifteen days after the date posted, the undersigned proposes to sell alcoholic beverages at these premises, described as follows:

Callender's Lodge, Hwy. 89 at Homewood, Placer County.

Pursuant to such intention, the undersigned is applying to the State Board of Equalization for issuance on original application of an alcoholic beverage license (or licenses) for these premises as follows:

On Sale General Seasonal Quarterly.

Anyone desiring to protest the issuance of such license(s) may file a verified protest with the State Board of Equalization at Sacramento, California, stating grounds for denial as provided by law. The premises are not now licensed for the sale of alcoholic beverages.

Jean Callender
B. F. Callender m2

JOINS FAMILY

TAHOE CITY— An addition to Tahoe City's full-time population as of February 24 is Austin E. (Rusty) Frodenberg. The 22-year-old son of Arthur Frodenberg is rejoining the family after 14 months mining in the Couer d'Alene district in Idaho with the Star mine. Rusty, a Class B skier, is a member of the Spokane Ski Club, which he will represent in the March 4-5 FWSA meet sponsored here by the Lake Tahoe Ski Club. Rusty plans permanent residence in Tahoe City.

SCHOOL DISTRICT'S SKIING PROGRAM RUNNING SMOOTHLY

by BOB GILBERT

TAHOE CITY— Entering the second month of the school ski program, the Tahoe-Truckee Unified School District, with the aid of the participating ski resort managements and volunteer organizations, has ironed out the rough spots in the program.

As the schedule now stands, pupils of the elementary schools and the secondary school of Tahoe City and Truckee spend Monday mornings or Wednesday afternoons at Granlibakken or Squaw Valley. The program, part of the school physical education curriculum, is optional.

At Granlibakken on Monday mornings, beginning skiers from Tahoe Lake Elementary School receive two hours of personal instruction from Kjell Rustad and an assistant. Intermediate and advanced skiers from the same school report to Granlibakken on Wednesday afternoon or join the 100 students from Truckee at Squaw Valley. At Squaw Valley, the students are divided into three classes—beginners, intermediate and advanced. These classes are further broken down into smaller groups for ease in handling and instruction. Each of these groups is taken to an assigned area by the group ski instructor. One educator from the school system accompanies each group also.

The instruction, uniform and progressive, follows a schedule which begins with "walking on the flat" and works up to the more difficult movements and racing techniques of the advanced group.

Coordinating the instruction with Superintendent of Schools E. V. O'Rourke are Gordon Butterfield of Squaw Valley's Ski Patrol and Carl Bechdolt Jr. of the Lake Tahoe Ski Club. Representatives from the schools include Principal Norman Dewhurst, Coach Arner Gustafson and Miss Thelma Finger of the high school; Principal Jams Welch and Mrs. Tom Borneman of Truckee Elementary and Bob Gilbert of Tahoe Lake School. Squaw Valley instructors, in addition to Butterfield, are Jack Nagel and Wes Kastner. Other instructors are Jack Starratt, Bill Pyle, Bill Bechdolt and Dick Carnell from the Lake Tahoe Ski Club; Angelo Besio and Frank L. Titus from Truckee.

Gov. Warren Proclaims Conservation Week

All California, marking the state's centennial of statehood this year, will join in observing Conservation Week March 7-14.

Governor Earl Warren has proclaimed Conservation Week with a strong plea to the people of California "to become more aware of the extent our daily welfare depends on natural resources."

The drain on the state's natural resources becomes increasingly heavy as the state's population increases, the governor pointed out. He declared "we have reached the point where California's future progress will be measured by how we conserve its forests, its agriculture and range lands, its water, its mineral and oil deposits, its beach and mountain recreational facilities, and its fish and game.

"If we are to make certain that California continues as a pleasant and porductive place in which to live and work, each of us must take a personal interest in the conservation of its resources."

The Navajo Bridge across the Colorado River in the Grand Canyon National Park is 497 feet above the river.

Granlibakken Still Open; Snow Reported Good

TAHOE CITY— Tahoe Tavern closed for the winter season on Sunday, February 26. The opening date for the summer will be some time in June.

Contrary to some rumors, nearby Granlibakken Ski Resort, several hundred yards up the private road across from the Tavern's main entrance, will remain open the rest of the year. Kjell Rustad, Granlibakken owner, reports that with the area's protected position, the present good snowpack should last late into the season even without replenishing snowfalls.

Contests Loom as Politics Warm Up in Placer

AUBURN— Placer County politics began to warm up last week along with the spring weather, with two candidates coming out for district attorney and another adding his name to the growing list of aspirants for the sheriff's office.

Al B. Broyer, Auburn attorney and police judge, announced he will seek to unseat District Attorney C. E. Tindall of Auburn, who is asking for reelection. Fred Henny, 35-year-old World War II veteran, will be a candidate for sheriff. At least four others have announced they will seek that office, now held by E. J. Kenison, who is also a candidate.

Lou Mohan, incumbent county assessor, announced his candidacy for reelection and so far has no opposition.

Nomination petitions must be filed between March 8 and April 1 to secure a place on the June 6 primary election ballot.

STEDDOM REVEALS INTENT TO SEEK PEACE JUSTICE JOB

TAHOE CITR— Kenneth B. Steddom, local business man, this week filed a declaration of intention to seek the office of Justice of the Peace of Township 11 in Placer County.

Steddom came to Lake Tahoe just after the close of the recent war and has since made his year around home here. He has been secretary of the Rotary Club of Tahoe City for three years, taking an active part in its civic programs.

Before coming to Tahoe, he resided in southern California. No stranger to court procedure, for over two years he was a member of the Burbank police department, serving successfully as a police officer, warrant officer and desk sergeant. He was inspector of the sewage and water systems at the cantonment of the 11th Cavalry at Campo and was plant engineer for a Van Nuys aircraft factory during the war.

"If elected, I can only pledge an equitable and impartial administration of the duties of the office," Steddom declared in announcing his candidacy.

There is nothing so inconvenient and disappointing as trying to get along with an old fashioned, under-size water heater. You are ready for your bath, you turn a faucet and the water runs from lukewarm to cold.

Avoid hot water shortage in your home by putting in a modern full-size electric water heater. Think ahead to future needs that call for a greater supply of hot water instantly on tap.

For example, you may be planning to buy a new Automatic Washing Machine and Electric Dishwasher. Then you will need to have an Electric Water Heater of at least 40 gallon capacity. It costs but a little more to have a reserve supply of hot water always on tap. You'll be more than repaid by the time and peace of mind it will bring.

Be sure the new automatic water heater you buy is "sized-up" to your family needs.

Summit Scene

by FRAN COUILLARD

The Sacramento Municipal Utility District, better known as "SMUD", had its annual ski races at Rainbow last weekend under a sky of cloudless blue. Porch furuniture was put out on a new sun deck for the occasion, which now gives Rainbow two decks. The morning slalom was forerun by Marles Olsen and Robyn Griffith, who both made better time than the entrants, Marles leading the racers of the women's division with a time of a minute and 34 seconds over the winners time of 2:05 and placing herself on a par with the men's time. SMUD winners for the slalom were Phil Illerich, Phil Gross and Al Hanaman; women's division, Marg French, Jerry Hanaman and Peg Richer. The afternoon downhill for men only was won by Illerich. An accident on the hill in the late afternoon served to demonstrate the perfection of the Rainbow Hill Ski Patrol. Tentative future races on this hill are the Montclare, San Francisco City College and Sacramento City College meets.

The Bay Area Federation meet on the Ski Ranch last weekend ranged all the way from racing to a vaudeville show. With the Oakland, Marin, University of of California, Viking, Peninsula, Alpineers, Montclare and San Jose State ski clubs participating, this was one of the biggest weeks this season for the Ski Ranch. In the first division results, the following came in in the order mentioned: Bruce Duncan, Marin; John Townsend of Oakland and Art Igelsrud of the Alpineers tied for second; Jim Clauson and Norman Brown of the Oakland club. In the women's division, Vi White came racing in to tie Nance Whale; Helen Irish, Marin's blonde queen of last year, followed them in. Each club participated in the show held Saturday night, with prizes being awarded for the best skit on Sunday. Bud Walton said that over 500 attended the show Saturday night, which is good business for anybody.

Santa Cruz Ski Club held their White Stag annual on the Soda Springs Ski Corporation terrain.

We have not heedlessly written of Stig Bentgar's cross country practicing these past few months. We have not heedlessly predicted that Stig stands a darned good chance of nailing the Donner Trail Memorial either, for Stig brought home the biggest trophy of all in the Snowshoe Thompson Cross Country. Yep, came in first. Ice Lakes, not satisfied with that glory, also sent another of its habitues, Ruth Raastad. Ruth was the only woman entrant and we hear she is about to tackle the 22 miles Donner Trail cross country too. So Ruth brought home a trophy for the Ice Lakes cup shelf and it all ended up with a party for Stig and Ruth at Donner Summit Lodge with everyone having a wonderful time and high hopes for a localite taking the winning place on the perpetual plaque.

We get away from racing and notes on skiing and make mention that another stork dance will take place before this goes to press. Pretty Gia Hilbrun of the Big Bend territory will be the smocked honoree and everyone is going. Nat Williamson and Mrs. Anton Rogina will be th rostesses. Which reminds us that Nadine Neugebauer is down in the valley awaiting her first and Betty Horak is fast approaching that time too. Two of the prettiest mid-summer mamas you ever saw will be Jeannie Coleman of Kingvale and sparkling black eyed Betty Vicencio of Cisco. We'll soon be voting on bonds for a new addition to our mountain pride and joy, Donner Trail Elementary School. Barbar Zorich displays her little doll, Deborah, with pride and we don't blame her. Deborah is a beauty.

Ice Lakes had members of the San Francisco Olympic Club and their families up last weekend—doctors, meat packers, ship chandlers and the cream of the bay area society. This hidden place, we believe,, is drawing its share of mid-week visitors—something there has been a dearth of this year.

Last year when the Winter Sports committee functioned, the subject of a mountain package deal was brought up several times with enough opposition being voicod on the the thing as a whole to shelve the idea. Last weekend the mid-week problem was again thrashed out with Soda Springs Hotel, Ice Lakes, Soda Springs Ski Corporation, Beacon Hill Lodge and Donner Summit Lodge going for a package in the Soda Springs area. Forty-two fifty is the rate from Sunday evening through Friday noon. Private room, two meals, two free ski lessons and unlimited use of the double chair lift is incorporated in the deal. A shorter one for three days can be had for $25.50. No sooner agreed on than placards were printed, radio stations contacted and we hear that already the places mentioned are getting results. Kind of late in the season, we think, but the boys are willing to be the guinea pigs for the balance of the season to see how it works.

Godie Schuetz works on his Kilbey for mid-March and we believe it's going to be a big affair with plenty of humor injected. Carl Buek puts his two shepherds on skis. Their names? Tom and Jerry. One doesn't take to skiing. There is hope for the other. Carl says you have to know more than the dogs to teach them. Know that costuumes are being sought for the steady skiers on the Soda Springs ski terrain. Know that Elmo Moriano wired Sun Valley to ask the Italian ski team, about to arrive there to compete for the Harriman Cup, to be his guests for the week between the National Giant Slalom and the Donner Cross Country race. Work is also being done to secure the Swedish team as well. Such entrants as these for the two races should serve to give the area some much deserved publicity.

LOCAL SCHOOL MAY JOIN SPORT LOOP IN WEST NEVADA

The Tahoe-Truckee Unified high school would like to become connected with the Western Nevada Conference for athletic competition, according to Ty Cobb, sports editor of the Nevada State Journal of Reno. Cobb cited the logic of the move, pointing out that participation in the Foothill League would mean travel travel to Grass Vally, Auburn and other points over Donner Summit in the winter and to reach Feather River and Lassen points, local teams would have to travel through Reno anyawy.

Don Robertson of Carson City, secretary of the Nevada Interscholastic League, pointed out, "The national federation recognizes geographical conditions frequently bring about situations whereby the logical competition for certain schools in one state lies in an adjoining state."

The Western Nevada Conference, meeting at Reno Sunday, was visited by Superintendent E. V. O'Rourke, who became acquainted with the setup and will be provided with more information before making an official application. If the conference OKs the bid, approval by the state board is virtually assured.

Tahoe-Truckee now has about 50 boys, 100 students in all, which would piace in the schooi in the Nevada "A" category. Within a couple of years, the T-T group hopes to be competing in football, would like to enter the basketball and track setup, perhaps baseball too, as soon as possible, Cobb reports.

Construction is to begin soon on a big new school, located on a 51-acre tract about a mile and a half cest of Truckee. It should be ready for use this fall, O'Rourke believes. Plans for a football and baseball field are included as well as a new full-size gymnasium. Rufus Gregory is basketball coach and Arner Gustafson handles skiing and track. Tahoe-Truckee has been concentrating on skiing until the new school is completed and has contested with Reno and Manogue in the snow sport. While not playing a full schedule, the Tahoe-Truckee basketballers have already had games with Fernley, Lovelock, Manogue and others in western Nevada.

Summit Area Aides Are Named for Red Cross

AUBURN— The annual Red Cross drive for funds officially opened March 1, with the Auburn Chapter's quota set at $8500. The chapter's jurisdiction covers all of eastern Placer County as well as the county seat city.

Tahoe, a branch of the Auburn Chapter, has its own organization directed by Mrs. Phil Geier. In the Summit area, Camille Roumage is chairman, assisted by Dr. Widing, Blue Canyon to Yuba Pap; Mr. and Mrs. Glenn Parsons, Cisco to Rainbow; Mrs. Lola Schull, Soda Springs to Sugar Bowl.

Most silver produced in California is a by-product from the mining of gold, copper, lead and zinc.

North Tahoe

by T. BURROUGHS

Gerry and Johnny Rayburn have returned from their winter meanderings to their Lake Tahoe home. After all, there is no place like Tahoe. Thressa and Tom Sutton are back too, and all smiles, although they expect to be on the back and forth basis for a while getting ready for that big summer business.

The North Tahoe Women's Club hat party was an unsurpassed success. Fifty-five hats (some came without them) each representing something different and all so good that judging must have been a tough job. Mildred Burch became ill and had to go home before the party was well under way. Nevertheless, her masterpiece, in the form of a hat made to represent Lake Tahoe, won first prize for the most original. Mildred took a little trip to the Carson City hospital at five the next morning. We are glad that she was able to return to her home the following day. Virginia Karnazewich, your local telephone operator, won the "pretty" hat prize while Jean Little wore atop her head a light tower or beacon which took the silly hat honors.

Several members were absent because of illness. Each absent face was missed. Could "The Operation" skit, skillfully carried out in silhouette by a cast of three local characters, possibly have cured the ailing ones? Alice delivered a lovely dance ever so gracefully.

A mork wrestling match with Ruth Lavery and Sophia Levra participating brought down the house with laughs. A hunting scene acted out by Margaret Recordon, Peg Mandeville and Sophia Levra was most revealing. If all hunters are so filled with lethargy after a night under the stars, coocooned in a sleeping bag, our wild animal life has little to fear this fall come hunting season.

Last but far from least, Roy Porath and Dr. H. M. Holmes reenacted a pantomine with Roy as Hildegard and Dr. Holmes as Frankie Sinatra to the record of "Will You Marry Me?" The boys did this skit at the last Rotary lalies night but it was even better at the women's party.

Next business meeting of the club will be the last Thursday in March.

Brockway Rotary held its "dad and daughter" night last Monday at Dr. Keys' Tahoe Vista Resort dining room. Daughters attending included Gwenie Misner, Loma May Sorensen, Shirley Wagner, Patsy Dickow, Ella Mae Mercer, Johne Rudolph, Jo Ellen Ashton, Diana Abbott, Betty Jo Jensen, Delores Rood, Susan Lucas, Jean Holmes, Janis Mandeville, Audrey Welch, Camillia Althof, Billie Whaley. The program chairman secured movies of the Alaskan highway development in color from its beginning through completion.

The WSCS held an all day meet at the Carpenters' Hall last Saturday and tacked out a comforter.

Not so long ago you were told that the school room having the best representation at a certain PTA meeting would be given a party. The winners enjoyed a folk dance party last Friday night at The Burroughs with Mrs. A. E. Abbott and Jean Little as hostesses.

Principal Charles Chubb of the Kings Beach school was callee away on Monday because of the death of his mother who lived in Burlington, Iowa. Miss Lucille Hollenbeck is acting principal in Chubb's absence.

The North Tahoe Utility District sewage disposal bonds were sold Friday at 3.416 to Marcus Kendreth Company of Chicago. There will be a board of directors meeting Saturday, March 4, at the Chamber of Commerce office with all the attorneys and engineers. Contracts will be called for April 1st.

This is a big step forward for North Tahoe. Of vital importance to all of us is this question of proper sewage disposal.

Five-year-old David Fisher holds aloft concrete evidence of the nation-wide wave of friendship that swept his way after a radio appeal for greeting cards to go to the bedridden little boy. David's Aunt asked Jack Berch, of NBC's "Jack Berch Show" to tell listeners about David at Christmas—and the mail's still pouring in.

A 70-unit motel will grace the site across the highway from Jones' Cottages, where ground work has begun. Ludlow and Ownes of Venice are the contractors.

Girl Scouts of North Tahoe are to enjoy an invitational dance at Dr. Keys' Tahoe Vista Resort on March 11 from 8 to 12 p.m.

A letter full of news comes from Tex Jones. The Doug Frees plan to remain in Cathedral City where the weather is at its best right now. Ollie McGill, former Tahoeite, mixes banking and building, holding his job at the Bank of America in Whittier, at the same time building several middle priced homes, having a couple such houses under construction now. Tex also heard about Bertha and Gil Ballard's recent trip to Los Angeles. He tells me they drove a new 1950 Chevrolet back. Mel Miller accompanied Mickey and Bud Mandeville on their recent trip to the California southland and surprised Vera, who wasn't expecting him. Bud and Mickey reported a wonderful though too short vacation.

Mildred and Monte Beasley have not decided on a definite date for their return to their home at Tahoe but Peg and Tex plan to be home by not later than April 5. Tex purchased for Peggy a one wheel trailer to bring home the added lot she has accumulated this winter. He hopes she will use it later for that potent flower bed enricher instead of using the family automobile.

Yes, Tex, Kay Blair's name has been scratched from the Sick, Lame & Lazy Club roster. She's out with her usual cheerful smile.

The L. Woods of Grass Valley, who purchased half of the Richard property last fall, plan to build several units on their lake side, adding to the rapid growth of North Tahoe. Tex says this section is better known as the "bedroom side" of the lake—and long may it remain so.

Spring must be very near. Last night frogs croaked a mad melody just outside my window. This morning I was awakened by the throaty voices of many birds. And just now I looked up to see Pearle and Paul Koltes stopping their station wagon in front of our place. Pearle says the early fruit and nut trees have shot forth their buds, the flowers are something to see and she proves it by bringing me a beautiful big bunch of acacia. They plan to bring back a load of their things each trip until the move back to the Pine Pantry is completed. On a short trip to Palm Spring the Koltes ran across Leonard Chanda and the Doug Frees had just left Maggini's Shoe Shop where Paul and Pearle were visiting.

On the sick list this week is Mrs. Frank Pope who awaits surgery in a hospital at Richmond.

Ruth Kynse is beginning to be out and about again. Keep smiling, Ruth, this spring sunshine will do you good.

Guests of The Burroughs over the past weekend were Mr. and Mrs. Clyde L. Queen with their children, Clyde and Meryl, and the children's friends, JoAnn Allendorf and John Driscoll Jr., all of San Mateo. Queen is executive secretary of the Pineapple Growers' Association of Hawaii.

Folk dancing is enjoyed each Saturday night at The Burroughs. Those interested are invited to attend.

Dan G. Lane of Crystal Bay suffered lacerations of the face and one arm early Tuesday morning when his car overturned on Washoe Hill, 13 miles south of Reno on Highway 395, according to Washoe County sheriff's deputies. While swerving to avoid hitting another car as he rounded a curve on Washoe Hill, he struck a road bank with his car and went over the bank, traveling approximately 250 yards before the auto came to a rest, he told the officers.

POLIO CASES IN STATE SHOW DECLINE

SACRAMENTO —(W. N. S.)— Polio cases reported to the state department of public health last week had dropped to 13, the department reports.

Counties reporting cases were Alameda, 2; Contra Costa, 1; Los Angeles, 3; Merced, 1; Orange, 1; San Diego, 2; San Joaquin, 1; San Mateo, 1; Solano, 1.

Do You Want To Cut Your Federal Taxes?

Something For Nothing

You know that you can't keep drawing money out of your bank account without ever putting any in. The bank doesn't play that way. This is also true of Federal financing. Every dollar spent must sooner or later be collected in the form of taxes.

Many of these taxes are hidden, such as the $2.44 you pay on a $30 radio, or the 62 cents on the average alarm clock. These are in addition to the direct taxes of which the average citizen is painfully aware.

Tax money is necessary to run our government. But all too much of it is wasted by inefficiency, duplication of effort, overlapping of Federal agencies or appropriations for services to pressure groups.

Heretofore, no one has known how much these government services cost us through waste and inefficiency. But some surprising facts have been revealed by the Commission on the Organization of the Executive Branch of the Government. This twelve-man, bipartisan Commission was created by Congress with the approval of the President. At the suggestion of Mr. Truman, former President Hoover was made its Chairman.

The Army, Navy, and Air Force asked for $30 billions of appropriations after being told that $15 billions was all the Nation could afford. The Army applied for 829,000 tropical uniforms at $129 apiece and homes for military personnel in Alaska at $58,000 apiece. Yet every dollar spent in such activities comes out of your pocket in the form of taxes.

Fifty Federal agencies jostle each other collecting statistics at an annual cost to you, the taxpayer, of $48,000,000. Many of the statistics are of use only to small groups, or collect dust in government files.

The Corps of Army Engineers and the Bureau of Reclamation are expert at selling the "something for nothing" idea to the American public. Underestimation of costs appears to be their specialty. The original price tag put on the Colorado-Big Thomson project was $44 millions. Its final cost was $131,800,000. Such discrepancies, the Commission wryly notes, "hardly can be explained by increases in labor and material costs."

You may obtain information about how you can fight waste and inefficiency in our government by writing to the Citizens Committee for Reorganization of the Executive Branch of the Government, 1421 Chestnut Street, Philadelphia 2, Penna. Also write your Congressman! Tell him you want laws enacted which will put into effect the suggestions of the Commission.

My Place In the Sun

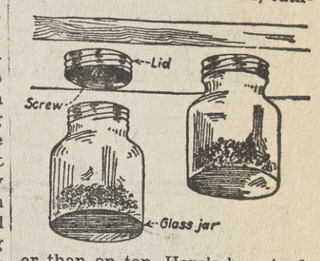

by DOUG BARRETT

A caravan of cars of yesteryear stopped here last Friday in front of the SP depot and attracted quite a crowd of local curious..... an 1899 Stanley Steamer, a 1907 Packard Limousine, a 1909 Hupmobile Car (No. 12) and a Rambler of similar vintage.....all destined for Harrah's Club in Reno Roy Waters coaching his son Gary in the art of perambulating and remarking at his profile resemblance to Uncle Erv.....Spent a pleasant half hour in Dr. Larry Nelson's swank new waiting room no patient I, just waiting and reading Doc's magazines in a big easy chair.....Mr. and Mrs. Bob Seibold and Red Jolly discussing the evolution of skiing instruction in front of Loynd's soda bar..... Jay Rablin, home on leave, looking mighty salty in his Navy blues.....A street sweepers' crew on the job again and doing the town up neatly.....Spring is indeed upon us.....for the moment.

For Nuts, Bolts, Nails

Screws, nuts, bolts, nails and similar small items can be stored conveniently under a shelf, rather than on top. Here's how to do it, as suggested in "Practical Job Pointers," a book published by American Builder magazine, 30 Church St., New York.

With round-headed screws, fasten the lids of glass jars under the shelf. Then, instead of twisting the lids on the jars, twist the jars on the lids. If a lid turns, drive a small nail beside the screw.

ELECTRICAL TIPS FOR THE HOME

If Your Toaster and Coffee Maker Take Forever to Heat Up . . .

DON'T blame the appliance or your dealer. Chances are your wiring is overloaded. Overloading can cause as much as 10% voltage drop on a circuit. When this happens, a toaster will take 31.5% more time to heat up and a coffee maker will take 22.5% more time than when the wiring is adequate.

DO install at least two 20-ampere appliance circuits to serve cooking appliances in the kitchen and in the dining room. When there are enough circuits of large enough wire, your electrical equipment will operate efficiently and economically. You will also be assured of better cooking results.

Vicki Firpo Honoree At Birthday Party

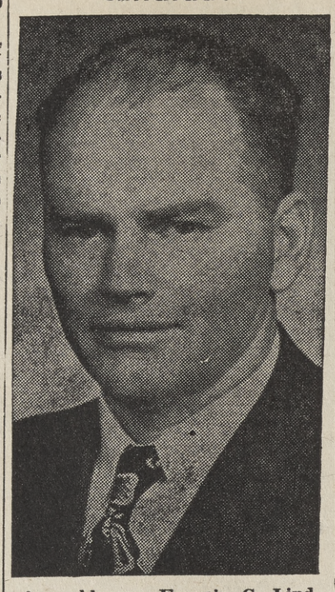

Vicki Firpo, who was five years old Sunday, February 26, was feted at a party given by her parents, Mr. and Mrs. Nace Firpo. Pink roses and candles topped the special cake served at refreshment time and games were played.

Spending the afternoon with Vicki were Stephanie Cozzi, Theo and Patricia Scott, Stephanie and John Firpo.

Local PTA Will Hold Card Party March 18

Mrs. Earl Brown, president of the Truckee Parents and Teachers Association, announces that a public card party will be held at the elementary school Saturday evening, March 18, at 8 p.m. Assisting Mrs. Brown on the committee is Mrs. Donald Sites. The 50 cents admission will include refreshments.

Candidate

Assemblyman Francis C. Lindsay of Loomis this week said he will be a candidate for reelection at the June 6 primary in this district.

Basketball Party Slated For Saturday at Cozzi's

The public is invited to a basketball dance to be given at Cozzi's Cafe Saturday night when the Concord basketball team will be guests of honor following a game with the Truckee team on the American Legion's court.

Charlie Cozzi, manager of the cafe, says he has engaged a three-piece orchestra for the occasion. The affair will not start until after the game.

From Roseville—

Mr. and Mrs. Al Bradshaw of Roseville were visitors here on Wednesday.

Dessert, Theater Party Marks Boy's Birthday

Mrs. Eugene Ilardi entertained at a dessert and Donner Theater party for their son, Tony, who was eight years old on Saturday, February 25. The refreshment table was centered with two cakes and decorated with miniature snow men and other appointments were in red, combined with white.

The guests were Joe Miller, Jim Harris, Anthony Wilson, Toddy McGee, Tom Towler, Errol Kehm and Freddie Morris.

Recuperating—

Mrs. William Waters is recuperating from an operation performed Tuesday in a Reno hospital.

Three Family Birthdays Observed in One Week

When the William Reisinger family observes a birthdate, it is never a single celebration.

Reisinger's birthday comes on February 24, daughter Kathy's February 26 and son Dennis' on February 27 so it is convenient to have joint observation and this year a family dinner enlivened the event on Sunday.

Eastern Star Resumes Sessions Next Tuesday

All members of Truckee Chapter No. 116, Order of Eastern Star, are reminded that meetings will resume Tuesday, March 7, after the usual three months winter recess. The new staff of officers will take over their duties under Worthy Matron and Worthy Patron Mr. and Mrs. James McIver.

Escapee Recaptured In Neighboring County

Roland Kerely, who was serving a term in the Nevada County jail following his conviction for stealing a car belonging to Arthur Couillard of Soda Springs, and who escaped while a trusty, was recaptured last Friday at Alleghany, Sierra County. Kerely walked out of the jail while engaged in cleaning one of the office rooms.

He was rearrested by Sheriff Dewey Johnson of Sierra County and Deputies Percy Waters and Arthur Pepper of Sheriff Richard Hoskins' staff.

SKIERS LOST

(Continued from Page 1)

of the California Highway Patrol, airplanes from Mather Field and Grass Valley, volunteered to assist the half-hundred skiers already on the trail.

Dolley Gives Aid

Constable N. F. Dolley of Truckee notified other officers throughout the area and himself, with Deputy Sheriff Fosten Wilson, took a lead in the search operations. Approximately 50 experienced skiers divided forces and started over the uninhabited and wild terrain.

Dogs on Trail

The dog team followed the trail of the missing skiers from the summit to a point near Anderson Peak. There the trail made a wide circle. At that point, the four skiers, headed by Williamson, started out on one curve of the circle, the dog team on the other. The dogs were only a short distance from the lost party when they were met by the skiers.

The Sacramento youths said they became confused in a ravine in the slushy snow and could not find the way out until Monday morning. They ate their lunch which they said was the only food they had until they returned to Ski Hi.

A scare was experienced about noon Monday when the light plane piloted by George Endter of the Grass Valley airport, accompanied by Deputy Sheriff Arthur Pepper, failed to answer a summons from the ground crew. It developed the plane had returned to Grass Valley to refuel, and return to the search.

Saw Planes

At one time, the missing boys said, they saw the planes directly overhead and signaled them. The spotters, however, failed to see the boys and did not again pass over them.

State Patrolman William Gautsche was stationed at one end of the search area and Patrolman Roy Stallard at the other. They kept in contact with the search from the ground and air through two-way radios and gave valuable assistance.

Tarzan

by EDGAR RICE BURROUGHS

WHILE TARZAN TOOK TO THE WATER TO INVESTIGATE THE ATTACK ON RUNDI'S LIFE, CLEVELAND AND BAKER ANXIOUSLY AWAITED THE RESULTS OF CHAKA'S INVISIBLE INK PAINTING.

SWIMMING ALONG THE FLOOR OF THE LAKE, HE FOUND A MASS OF KEGS AND CHESTS. KNIFE WOUNDS IN THE BODY OF A NATIVE SECURED TO A CHEST TOLD HIM THAT HERE WAS THE "CREATURE" THAT HAD ATTACKED RUNDI. INSTANTLY HE UNDERSTOOD. CLEVELAND'S DIVER HAD DISCOVERED THE DAGOMBA TREASURE. TO PREVENT RUNDI FROM EXPOSING THE DISCOVERY, THE MAN HAD TRIED TO DROWN HIM.

TARZAN SLASHED THE RESTRAINING BONDS AND SHOT UPWARD WITH THE BODY.

WADING ASHORE, THE NATIVES STARED CURIOUSLY. "DOC!" BAKER MUTTERED. "I DON'T SEE THE SNAKE SIGN! GET SET FOR TROUBLE!"
